At Weddings by Tamara ("WBT"), my goal is to make your wedding day everything you've dreamed of—filled with joy, love, and free from stress. To achieve this, it's essential that we work together, ensuring everyone understands their role in bringing your vision for the ceremony to life.

I'm always here to listen. If anything changes or if you have any special requests to add personal touches to your ceremony, please don't hesitate to share them with me ahead of your wedding day. [Punctuality](#)

It's always a great idea for couples to arrive a little early for their marriage ceremony, ideally about 20-30 minutes before the start time. This allows us to complete necessary paperwork and share some helpful details that will make your ceremony even more special. If you'd like, I may meet with each of you separately beforehand, so you won't see each other before the ceremony begins.

This extra time also gives you a chance to pause, take a deep breath, and really take in the moment. Rest assured, I won't rush and everything will flow at a comfortable pace. However, if the ceremony is delayed by more than 20 minutes, I may need to leave due to other scheduled commitments and return later in the day.

[Ceremony Format](#)

I'm here to provide guidance and support for your special day! If you need assistance with bridal party placement, the processional, or recessional, I'm happy to help. We can also explore selections of poems, readings, and symbolic ceremonies to make your ceremony uniquely yours. Whether you'd like to use traditional vows or need help crafting your own, I'm here to ensure your marriage ceremony is truly personal and memorable.

[Cancellation/Postponement/Marriage Ceremony Start Time Change](#)

In the event that the marriage ceremony is cancelled with no intention to reschedule with WBT or, is relocated to a different province or country for any reason, the full initial deposit will be considered non-refundable.

If the marriage ceremony is postponed, there will be no fee to change the date, subject to availability.

If the start time of the marriage ceremony is changed after the initial formal booking is confirmed, there will be no fee for the adjustment, subject to availability. However, if I am unable to accommodate the new start time due to other confirmed bookings on that day, it will be considered a cancellation.
